

**Problem:** How to make a peanut butter and jelly sandwich.

**Result:** A peanut butter and jelly sandwich.

**Prerequisites:**

- material

- \* toast or white bread slice

- \* peanut butter

- \* jelly

- tool

- \* butter knife or spoon

**Step by step:**

1. Make sure you get prerequisites ready. If not, you can buy them in a supermarket.
2. Take a slice of bread, and put some peanut butter on it. Smear it to one whole face with a knife.
3. Put some jelly on another slice of bread, and smear it as previous step.
4. Now put the two slice of bread together, with peanut butter side face to jelly side face.
5. You have done, and you can enjoy it.
